HELP PREVENT A THEFT FROM MOTOR VEHICLE

## **WATCH** what is around you

- Choose a parking spot that is well lit and highly-visible.
- Be aware of your surroundings after parking.

## **HIDE** your belongings

- Remove any valuables in plain view. Leave them at home if possible.
- Never leave purses, wallets, laptops, etc. in your vehicle.

## **LOCK** your vehicle

- Even if you are just "running in" somewhere, lock all your doors and put up your windows.
- Take your keys with you.

## **REPORT** suspicious activity

- If you see something you feel is suspicious, say something.
- Contact 9-1-1 to report strange or illegal activity.
